

St Ives Concert Band

Consent Form for the Use of Images of Children

St Ives Concert Band

Dear Parent

There are sometimes occasions when we wish to take photographs or make video recordings of members of our Band, to use in our publicity material and/or on our web site.

Similarly, there are occasions when the local press may wish to publish photographs of children in newspapers or use recordings of the children on television when reporting these events.

To uphold the principles of the Data Protection Act 1998, the Band would like your consent to use images of your child.
